Join us for the 14th biennial conference of the Association for Academic Language and Learning (AALL). Our theme for the conference is 'AALL Around the World: international perspectives, research and practice in academic language and learning'.

The conference welcomes educators, researchers, advisers, learning designers and managers who work in post-secondary education contexts to improve the teaching, learning and development of students' communication skills, academic language and literacy, numeracy and English language for academic and professional purposes.
